Replace any outdoor garage lights that
do not work. It is the season where it is darker

is dark and see if your neighbor’s light(s) are on, if
not, ask them to put in a bulb – help keep everyone

Fishers has a new business in town and a couple of
your neighbors work at Painting with a Twist. Take
a look at the web site and you might be tempted to
“paint” a picture with some friends. A great way to
spend a couple of hours being creative. (No need to
be artistic, the instructors walk you through “how”
to paint.) Come and see what you can do to a blank
canvas.

Are you enjoying this newsletter? Are there things that you would like to see in this newsletter? Do you have any ideas – we would love to include your ideas, recipes, Fishers facts, etc. Just get your information to **Sherry Cullivan at Association Management, Inc. 317 Area Code Changes are Coming

If you live in the Indianapolis metropolitan area, you need to prepare for changes in how you make local telephone calls.

- Starting on September 17, 2016, all local calls in the 317 area code will require 10-digit dialing. In other words, you'll need to

dial 317-XXX-XXXX to complete a local call.

- A six-month grace period starts on March 19, 2016. During the grace period, you'll be able to complete local calls with either 7 or 10 digits.

The new dialing pattern is necessary so that new telephone numbers can be added when needed. Starting on October 17, 2016, new numbers will be assigned using either the 317 area code or the new 463 area code.

Spring Garage Sale & Gatewood Street Party

Gatewood will have another **Spring Garage Sale**. Watch for the information at the entrance for dates/times. Start gathering your gently used items and prep them for the sale and make some money on those items.

Also, watch for details on a **Gatewood Street Party**

for late spring/early summer. This will be a time for everyone to get out and meet their neighbors, bring your favorite side dish and enjoy a hot dog while catching up with your

friends and neighbors. A sign will be posted at the entrance to Gatewood with details. Hope to see everyone there.
